

It is with great thanks to Mr. Martin Jeiven, our primary sponsor, that we proudly announce that we are accepting applications for the inaugural cohort of Jeiven Fellows. Applicants for the fellowships should be a minimum of 28 years old, have stellar recommendations, a well-developed CV, and be actively pursuing performing/teaching careers. These fellowships are paid positions; thus, applicants will be thoroughly reviewed in a competitive process and finalists will be contacted for an interview round.

We have filled two string fellowship positions and are currently accepting applications for **wind players only**.

Eligible applicants should indicate their intent to apply for a Jeiven Fellowship in their Accepted application to MCMS.
