Things to do before coming to camp

1. Have a physical examination within 12 months of the start of camp.
2. Label **all** belongings, including clothes and bedding, with indelible ink.
3. FOR INTENSIVES: Please look out for material from your Program Coordinators. They will be sending you all pertinent information and materials to prepare.
4. The following forms will be available in your Accepted account on June 1st, following complete tuition payment. We will notify you when the forms have opened. At that point you will login to your Accepted account and click continue:
 - Travel Information
 - Health Information & Covid-19 Liability Waiver (See documents attached)
 - Camper/Parent Permissions and Policy Agreements

Campers are required to bring FOUR (4) Covid rapid tests with them. These tests will be used during week one testing and in the event of the camper presenting any symptoms of Covid-related illness. If they are not used during the camper's stay, they will be returned before departure from camp. These tests are available for free from the US government through May 11, 2023 at <https://www.covidtests.gov/> Please order these soon, as they may take a few weeks to be delivered.

Performance

Students in all Intensive and Prelude programs will be a part of final performances at the end of the two-week session. Please see the packing list below for breakdown of performance dress for each program.

Housing

In fairness to all, **cabin assignments will be made strictly by chronological age. No exceptions will be made.** Effort will be made to avoid housing changes at mid-season for all full-season campers; however, some changes may be unavoidable.

Camper Banking

Campers will NOT BE PERMITTED to keep cash or valuables in the cabin. This summer, NEMC will be using Square as our Camper Banking System. Campers may either load money onto their NEMC Cards or they may bring debit/credit cards with them. Most campers deposit approximately \$100.00 per session into the NEMC Bank. Campers that load money onto their account will receive an NEMC debit card and use it for all money transactions. Camper debit cards can be used at the Canteen, Library, and Office for treats, music, personal items, and to withdraw money for off-campus trips. Balances over \$5.00 remaining in Camper Banking are returned to campers at the end of the camp session. We will send additional information regarding camper banking later in the Spring.

Telephone

The office phone is not available for campers and staff except in an emergency. Public phones are available. We ask campers to make calls only when absolutely necessary, and to limit each call to five minutes. **Please note: the camp phones will be unavailable to campers for the first four days at camp to allow them to immerse themselves in the camp experience. We ask that parents not call the camp office during this time. We will contact you with any concerns during that period. Remember, no news is good news!**

Following the first week of camp, Prelude campers will have access to the phones on Tuesday/Thursday and Intensive campers will have access on Wednesday/Friday. Phones will be open to all campers Saturday-Monday. Campers may not make or receive calls during any class or scheduled activity or after 7:30 P.M, except in case of an emergency and then only with the authorization of a Head Counselor or Camp Directors. Cell phones are not allowed on campus for the Prelude Program. Students admitted into one of the four intensives may bring their cell phones with them as they will be needed for the program, but will only be allowed to be used in a limited capacity.

Drugs, Alcohol, Tobacco, Vapes

The possession and/or use of drugs, alcohol, tobacco, or vaping materials will result in the offending camper's **IMMEDIATE DISMISSAL** with **no refund of tuition**. All tobacco and vaping products are prohibited on camp grounds and at any related camp activity.

Community Service

Community is at the core of NEMC's values. Because of this, every person at camp (campers, counselors, faculty, staff, and administration) will be responsible for contributing to the camp community throughout the summer. Community service tasks include assisting in the office, music library, canteen, at meals, concerts, etc. Everyone will participate in at least one community service task. If you attend a school where community service is required, you can bring any required forms and this can be applied to those hours.

Travel to Camp

NEMC requires a Camper Travel form on file with the camp office regardless of whether you will arrive by car, plane, or bus. The **Camper Travel Form** can be found with other important forms in your Accepted account.

Arrival at camp – Registration at the Office begins at **1:00 for Intensive/Prelude Session**, with one-hour time slots that must be selected on the travel form. Each time slot has a limited number of spaces, so if a time slot is not available, all slots have been filled and you will need to choose another slot. Parents will not be allowed beyond the camp parking lot and camp office on opening day.

Departure from camp – Campers must leave no later than **9:00 AM** on Monday, August 7th

Please plan accordingly if you want to listen to music with a personal device. NEMC Camper Social Media Policy

New England Music Camp views social networking sites (e.g., Facebook, Instagram, TikTok etc.), personal Websites, and Weblogs positively and respects the right of campers to use them as a medium of self-expression. When a person chooses to identify himself or herself as a camper of NEMC on the internet, readers may view the camper as a representative or spokesperson of the camp. Therefore, NEMC requires, as a condition of participation in the camp, that campers observe the following guidelines when referring to the camp, its programs or activities, its campers, and/or other employees, in a blog or on any social networking website.

- Campers must be respectful in all communications and blogs related to or referring to the camp, its campers, and/or other employees.
- Campers must not use blogs, websites, or social networking sites to disparage the camp, campers, or employees of the camp.
- Any photos or messages that are linked or “tagged” from “friends” and attached to your site(s) or profile(s) that are inappropriate must be removed.
- Campers must not post photos taken anywhere at camp that are inappropriate or break camp rules.
- Campers must not use blogs, personal websites, social media messaging platforms, or social networking sites to harass, bully, or intimidate employees or campers. Behaviors that constitute harassment and bullying include, but are not limited to: comments that are derogatory towards race, religion, gender, sexual orientation, color, or disability; sexually suggestive, humiliating, or demeaning comments, and/or the sharing of personal information, without consent.
- Campers must not use blogs, personal websites, social networking sites, or any other form of online communication to discuss engaging in conduct that is prohibited by camp policies, including, but not limited to: the use of alcohol and drugs, sexual behavior, sexual harassment, inappropriate language, and bullying.
- The use of our copyrighted camp name or logo is not allowed without written permission. This includes the creation of websites, blogs, Facebook Pages, Twitter accounts, and/or any other internet properties.

Any camper found to be in violation of any portion of this Social Networking and Blogging Policy will be subject to immediate disciplinary action, up to and including dismissal from camp, and/or appropriate legal action.

We require you to have a physical examination within twelve months of your arrival at camp. The health form **must be uploaded to your camper account by June 21. If the health form is not received by the start of camp, campers will not be allowed to stay on campus.**

As a reminder, NEMC requires proof of vaccination, including all eligible boosters in order to attend the NEMC season. If a camper is unvaccinated due to medical and/religious reasons, they must submit a vaccination waiver before June 21 along with all accompanying documentation. These waivers can be found on the NEMC Covid Protocol page on the camp website or by using the link below in the links section of this packet.

If you have been under the care of a mental health professional within the last three years, the treating physician or clinician must send a letter to the Camp Director by June 21 verifying your ability to be successful in the camp setting in order to facilitate your adjustment to camp. This is mandatory..

Please note: All information will be treated confidentially.

If you take prescription or over-the-counter medications, please properly label and bring enough for your stay at camp. All medications will be deposited in the camp health center and dispensed by the camp nurses.

VERY IMPORTANT: Hospitals and doctors will refuse to treat you without parental permission. Therefore, one of your parents **MUST** sign the authorization for treatment on the health form.

Please follow them, and make sure that all balances, including extra fees are paid in full. **Final payments are due June 1.** In addition, you can add the camper banking money on the NEMC website prior to camp and skip a step in the registration line. We will send instructions to do this later in the Spring. Transportation and additional lesson fees will be added to your accounts at a later date.
