

New England Music Camp is Hiring! ***Nurse Positions***

Job Description:

NEMC hires a team of 3 nurses for the duration of the 8-week camp program. Each nurse will work a maximum of 30 hours per week. Health center hours are 7:00 am to 10:00 pm, or until the end of the evening activity. Job requirements follow:

- Possess or obtain Maine license for RN, LPN, or Nurse Practitioner
- Complete duties under the supervision of the Director of the Infirmary, to include:
 - Administer medications and provide first aid to campers
 - Monitor camper health and wellness
 - Attend to injuries and treat campers who exhibit signs of illness
 - Maintain regular communication with other health center staff, head counselors, mental health counselor, and camp directors
 - Assist with camper intake on opening days
 - Maintain medical logs, monitor campers after treatment, and communicate with parents when necessary

Room and board will be provided on the lakeside camp property for nurses and family. Schedule and time off will be decided among the health center team. *Duration of contract is negotiable.*

Compensation will be based on experience and includes travel stipend.
